

School Reorganisation Advisory Committee

19th November 2015

Dear Preschool Administrators and Principals,

SCORE Parent, Educator and Community Sessions

I am happy to announce that the School Reorganisation (SCORE) Advisory Committee will be holding two working sessions on school reorganisation.

Please encourage your parents, staff and community partners to attend one of these sessions as they are an important opportunity for input to be provided and voices to be heard on this important issue.

The sessions will be held at:

CedarBridge Academy Cafetorium
Tuesday November 24th, 2015
6:30 p.m. – 8:00 p.m.

and

CedarBridge Academy Cafetorium
Wednesday November 25th, 2015
6:30 p.m. – 8:00 p.m.

I have enclosed a copy of the advertisement for the upcoming sessions and the letter sent on October 20th, 2015 to parents that outlined the role of the SCORE Advisory Committee. That letter can serve as a reminder to invitees about what the work of the SCORE Advisory Committee is all about.

I look forward to gaining valuable insights from members of our school communities.

Sincerely yours,

Romelle Warner
Chairperson
