

Elmo

How can I build friendships at Christmas?  
I can build friendships at  
Christmas by buying neighbours  
presents. I can sell hot chocolate  
to raise money to give to poor  
people. I can bring joy to  
friends, family, and folks around  
my community. Going to the  
prison to bring joy to the prisoners,  
by baking cookies and giving  
them away, will be fun.

I will have fun with my sister,  
brother and parents by playing  
Monopoly. This will make my  
family happy. And that is  
how you make joy at  
Christmas!
