

How can I build Good will
at Christmas?

On Christmas I am
truly blessed and thankful
for being able to spend a
great deal of time with my
family and friends. On Christmas
morning, I receive lovely
presents. However, on Christ-
mas, I love to participate

in charity dinners for the poor and my neighbours who have very little money.

I can go to my auntie's church in Brighton to make cookies, biscuits, brownies, and chicken soup for the dinner. Fortunately, I am going to Africa on Christmas, so my daddy and I can build houses for people who need shelter. I

am going to be reading the plans for my daddy. For

example, I will tell him where to put the bricks. He told me that I will help him carry the window glass for the houses. Hopefully, I will make friends in Africa and Brighton this Christmas.
